

**ADDENDUM# 1
RADON TESTING**

Bid # 6173F

November 19, 2010

Dear Vendors:

The Contract Bidding Documents pursuant to Bid # 6173F are hereby revised as follows:

1. The new bid opening date is: **TUESDAY, NOVEMBER 30, 2010 at 2:30 P.M.**
2. The testing shall include initial measurements and any follow-up measurements as necessary for test locations where the initial test readings are 3.5 pCi/L or higher.
3. **REVISED BID FORMS:** The revised bid form contains the number of samples that have to be taken at each school to meet the 10% requirement based on the number of samples taken in 2005. Note Norfeldt Elementary: 3 is for the 10% requirement and 2 is for the rooms that had readings over 3.5 pCi/L in 2005, which were rooms 101 & 107. Sample numbers are not shown for Bristow and Strive because this will be their initial test. The floor plans for both are attached. Included is Bristow's second floor plan because the dining room is located over the Mechanical room.

Thank you for your patience, time and consideration.

Sincerely,

Tammy Bradley, CPM, C.P.P.B.
Sr. Buyer
